

Makita[®]

9237CB

180mm (7") Polisher

240v

180mm (7") Polisher

- To provide a solution for every polishing application
- Continue to be an Industry leader

Product Overview

240v

Rubberised Gear Housing

Soft Start With Constant
Speed Control

180mm Hook and Loop Pad

Variable Speed Control

Wire Mesh intake

Rubberised Loop Handle

Product Specification Sheet

240V

Continuous Rating Input	1,200W
Pad Diameter	180mm (7")
Spindle Thread	M14
No Load Speed	0 – 3,200rpm
Overall Length	431
Net Weight	3.4kg
Power Supply Cord	2.0m

- **Rubberised Gear Housing** - Rubberised gear housing helps prevent accidental damage to delicate surfaces.
- **Soft Start With Constant Speed Control** - Soft start for smooth start ups and less fling off of polish.
- **Variable Speed Control** - Variable speed control by dial and trigger.
- **Wire Mesh intake** – Wire mesh intake covers prevent wool fibres from entering the motor.
- **Rubberised Loop Handle** – Rubberised loop handle for operator comfort and to help protect tool and surfaces from damage

Innovation

Variable speed dial and trigger enables user to match the speed to the application

Performance

Soft start for smooth start ups and less fling off of polish or wax

Durability

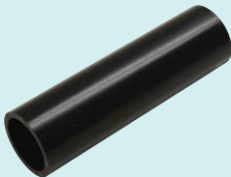

Wire mesh intake covers to prevent wool fibres from entering the motor

Convenience

Rubberised loop handle and gear housing help protect surfaces from damage

Accessories

Standard Accessories		
	783204-6	Hex Wrench 6
	262542-4	Sleeve 18 (For Centering Wool Pad)
	455293-8	Loop Handle
	191D53-5	Wool Pad 180

Optional Accessories		
	743053-3	Buffing Pad (To Suit Wool Pad)
	D-70786	190mm Sponge Pad Coarse
	D-70792	190mm Sponge Pad Medium
