

Makita

18Vx2 430mm (17") Lawn Mower

DLM432

18Vx2 18V + 18V 36V

Product Objectives

- Designed to suit the needs of landscapers, maintenance crews and home users.
- Makita have developed a 18Vx2 lawn mower designed to be powerful, quiet, lightweight and easy to use.
- The DLM432 replaces the DLM431

Product Overview

Easy start

Battery capacity indicator

50L Catcher with grass level indicator

13 stage height adjustment from 20-75mm

Reduced pushing force

18Vx2 Motor

430mm (17") capacity

Product Specification Sheet

Grass box capacity	50L
Cutting height adjustment range	20 - 75mm, 13 heights
No load speed	3,600rpm
Max. cutting width	430mm
Recommended mowing area	575m ²
Overall length	1,490mm
Skin weight	16.3kg
Weight (with battery)	17.5kg
Voltage	36V (18V x 2)

- **Reduced pushing force** – cover is added under the deck to flatten grass as the mower passes through helping to reduce the force required to push the machine
- **18Vx2 Motor** – powered by two 18V Li-ion batteries providing 36V of power and runtime without leaving the 18V platform
- **430mm (17") deck** – designed with a lightweight material for user convenience and comfort
- **Easy start** – push button start allows the user to quickly and easy start the mower at the touch of a button. Safety key also provided for additional safety
- **Battery capacity indicator** – indicates the remaining battery capacity
- **50L Catcher** – also includes a grass level indicator, letting the user know whilst mowing when the catcher is full
- **13 stage height adjustment from 20-75mm** – allows the user to quickly and easily change the cutting height

Advantages

Power

Powered by 18Vx2 Technology for 36V of power and runtime

Design

13 stage height adjustment allows the user to select the ideal mowing height

Durability

XPT Technology enhances the mowers protection against dust and moisture

Efficiency

Push button start for quick and easy start
no fuel needed

Product Replacement

	DLM432	DLM431 – Discontinued
		
Grass box capacity	50L	50L
Functions	Cutting, Collecting & Mulching (Optional Accessory)	Cutting & Collecting
Battery Capacity Display	Yes (On Deck)	No
Cutting height adjustment range	20-75mm, 13 heights	20 - 75mm, 13 heights
