18Vx2 LXT 480mm Lawn Mower

LXT

DLM480

Product Statement

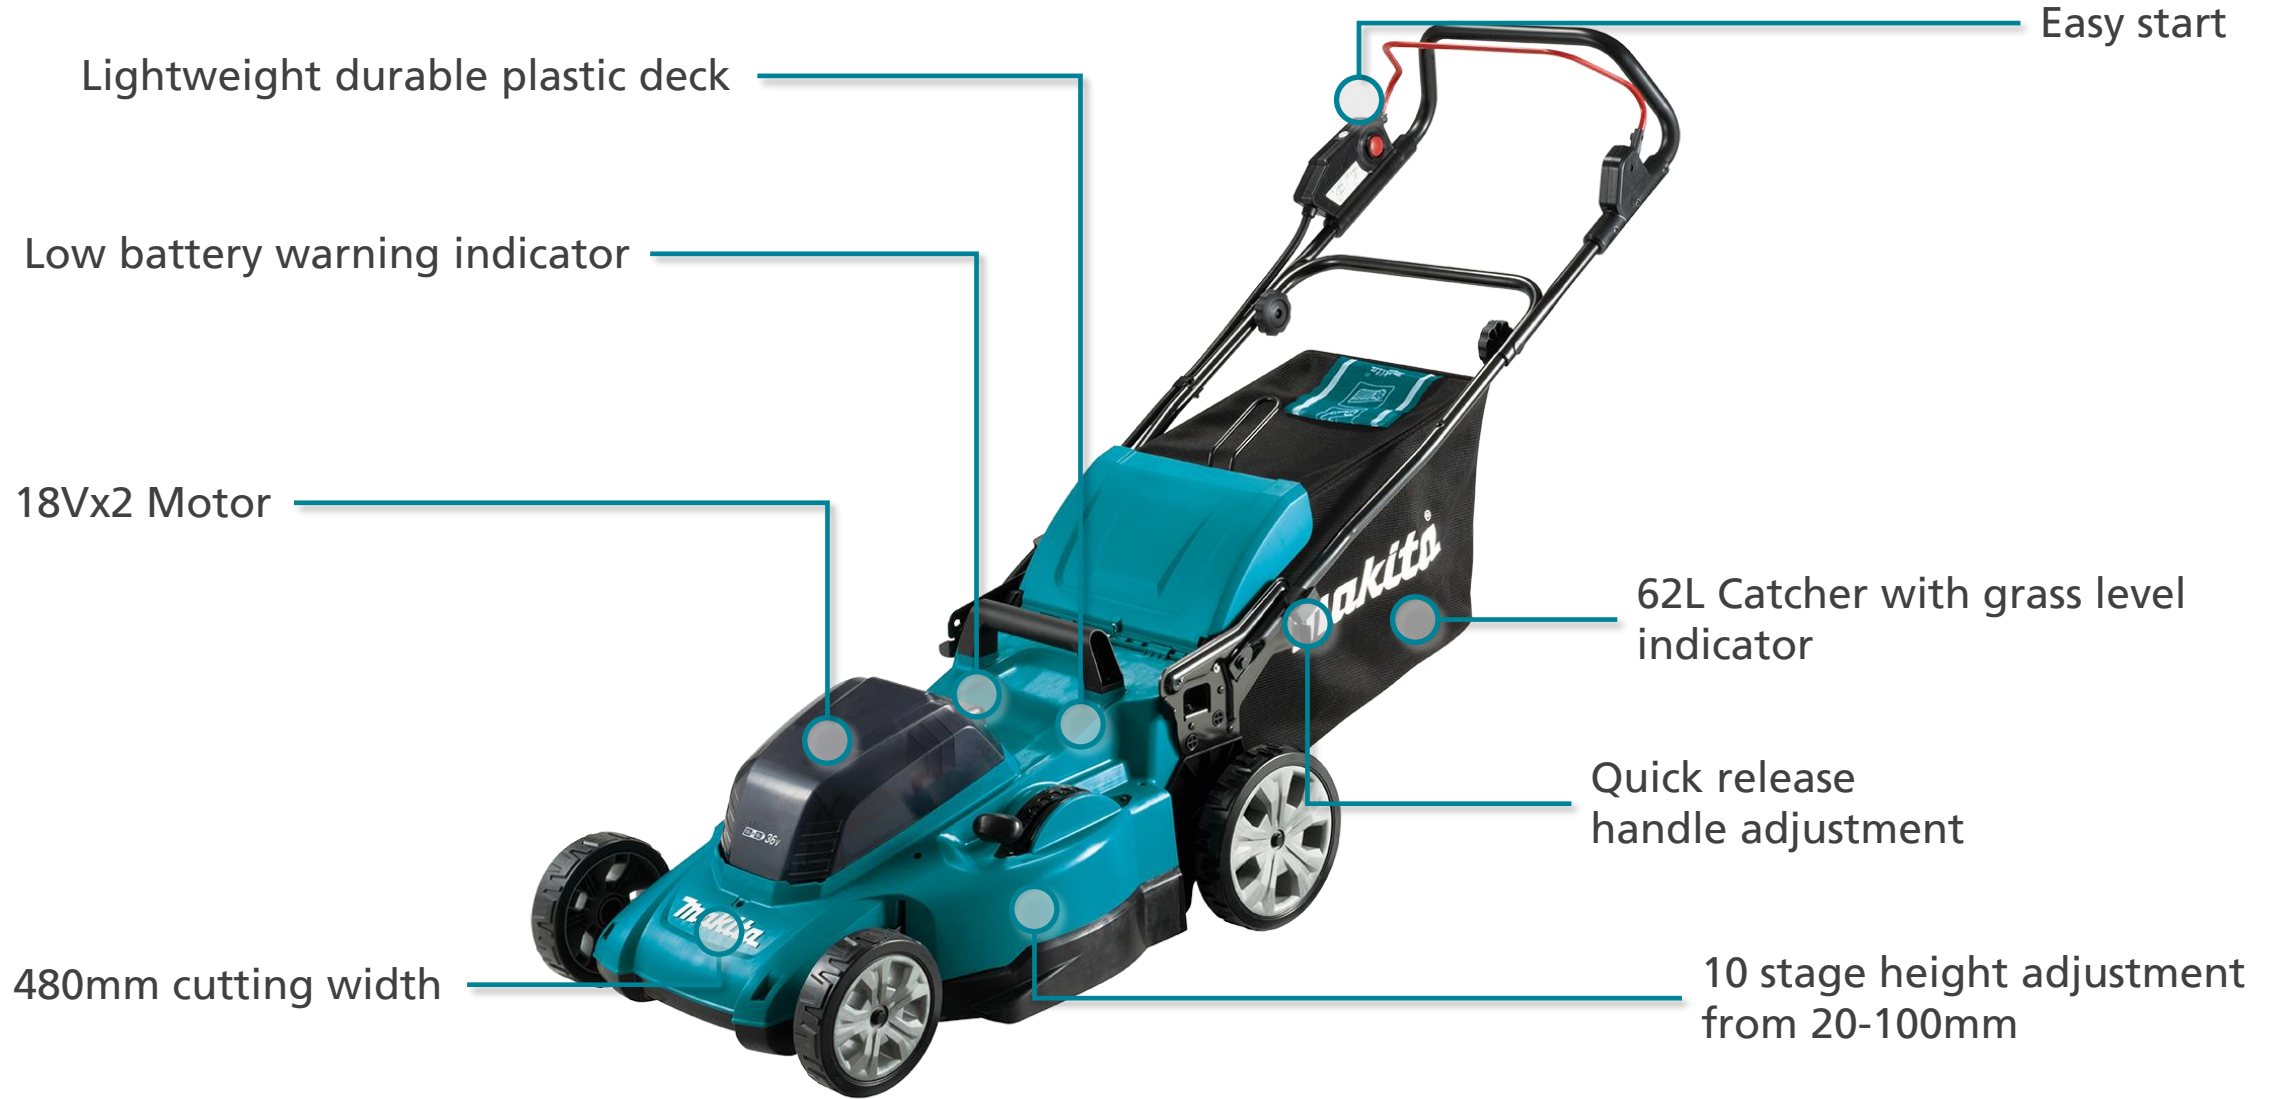

The DLM480 – 18Vx2 Lawn Mower is a lightweight mower designed for medium sized lawns, capable of up to 800m² with 2 x 6.0Ah batteries*.

The quick release handles allow it to be quickly folded down for storage or transport, while having the ability to be stored vertically for a compact storage footprint.

Users can adjust the height across 10 stages from 20mm up to 100mm to achieve the desired result for the season and lawn type. DLM480 also comes standard with a 62L collection bag and mulching plug to provide mulching and collection operation as well as rear discharge.
