

Makita

18Vx2 Brushless Self-Propelled 534mm Lawn Mower

LXT

DLM536X

Product Overview

XPT
EXTREME PROTECTION TECHNOLOGY

Self-propelled motor with variable speed control

Holds 4 x 18V batteries

70L cloth catcher with grass level indicator

4 swing back blades

534mm cutting capacity

10 stage height adjustment from 20-100mm

Product Specification Sheet

Grass box capacity	70L
Cutting height adjustment range	20 - 100mm, 10 heights
No load speed	2,800rpm
Max. cutting width	534mm
Recommended mowing area*	Self-Propelled - 1,700m ² Push Drive – 2,300m ²
Traveling speed	2.5 – 5.0km/h
Overall length	1,630mm
Skin weight	40.8kg
Weight (with battery)	43.2kg
Voltage	36V (18V x 2)

- **Brushless self-propelled motor** – motor runs at 2,800rpm and provides maximum power as soon as you're ready to work with an added variable speed dial allowing you to select the accurate speed for the job between 2.5km/h to 5.0km/h
- **Extreme Protection Technology** – is an advanced series of seals and channels to direct dust and moisture away from critical components
- **70L cloth catcher** – with grass level indicator allows for efficient grass collection
- **534mm cutting capacity with 4 swing back blades** – provides a clean and efficient cut with reduced chance of solid objects being struck and causing damage
- **10 stage height adjustment from 20-100mm** – allows the user to quickly and easily change the cutting height to match the job
- **Holds 4x 18V batteries** – powered by two 18V Li-ion batteries but the convenient battery selection switch allows you to switch to the second set of batteries
- **4 swing back blades** – delivers an efficient cut whilst providing maximum safety to the cutting deck as the blades will swing out of the way when coming into contact with solid object in the lawn

Advantages

Power

Powered by 18Vx2 Technology but conveniently holds 4 batteries

Design

10 stage height adjustment allows the user to select the ideal mowing height

Durability

XPT Technology enhances the mowers protection against dust and moisture

Efficiency

Push button start for quick and easy start no fuel needed

Accessories

Standard Accessories – DLM532

	327589-6	Rod 6
	782210-8	Socket Wrench 17
	782212-4	Socket Wrench 13
	127516-1	Mulching Plug
	459887-1	Side Discharge Guard
	643535-4	Safety Key
	191D50-1	Swing Back Blade Set
