

18V Band Saw

DPB182

4 key components make up our LXT Advantage, providing you with the most advanced, dependable 18V tools on the market. Our fast-charging batteries, rapid optimum chargers, industry leading brushless motors and our STAR Protection computer controls make each and every one of the world's largest 18V range of tools the best option for the job, no question.

Product Objectives

- Designed to suit the needs of a range of metal-cutting tasks, ideal for any electrical, HVAC, installation, metal building, metal fabrication, plumbing, and any professional tradesmen
- The aluminium blade case is both highly durable and lightweight making it comfortable in operation but also able to handle tough jobsite conditions
- The DPB182 replaces the DPB181

Product Overview

Aluminium housing

Tool-less blade adjustment

Blade tracking adjustment

LED joblight

Tool hook

Ergonomic handle design

Adjustable stopper plate

Product Specification Sheet

Cutting capacities	64mm x 64mm
Blade speed	192m/min
Blade size (LxWxH)	835 x 13 x 0.5mm
Overall length	477mm
Skin weight	3.5kg
Weight (with battery)	4.1kg
Voltage	18V

- **Aluminium housing** – durable but also lightweight the aluminum housing ensures the bandsaw is able to withstand jobsite conditions whilst also remaining comfortable for the user.
- **Tool-less blade adjustment** – for quick and easy blade replacement there is a large tool-less tension lever.
- **Blade tracking adjustment** – blade tracking can be adjusted by turning the screw located on the housing with the hex wrench provided.
- **LED Joblight** – single LED joblight with pre-glow function so the user can accurately position the blade on the cutting line.
- **Tool hook** – large hook located on the back of the tool for quick storage of the tool on the jobsite.
- **Ergonomic handle design** – angled specifically for comfortable use the handle design has been engineered to be comfortable in both conventional and overhead operation.
- **Adjustable stopper plate** – can be adjusted for safe cutting of various sized material and can also be adjusted making it convenient for cutting close to walls and ceilings.

Advantages

Durability

Aluminium housing for increased durability

Comfort

Compact and lightweight the band saw is only 477mm in length and 4.1kg in weight

Power

Up to 192m/min blade speed for fast and efficient cutting

Ergonomically designed for increased user control

Product Replacement

	DPB181	DPB182
		
Cutting capacities	64mm x 64mm	64mm x 64mm
Blade speed	192m/min	192m/min
Blade size (LxWxH)	835 x 13 x 0.5mm	835 x 13 x 0.5mm
Overall length	468mm	477mm
Skin weight	2.9kg	3.5kg
Weight (with battery)	3.5kg	4.1kg
Voltage	18V	18V
Housing material	Plastic	Aluminium
Blade tracking adjustment	No	Yes

Our Range

	DPB182	DPB180
		
Cutting capacities	64mm x 64mm	120mm x 120mm
Blade speed	192m/min	84-162m/min
Blade size (LxWxH)	835 x 13 x 0.5mm	1,140 x 13 x 0.5mm
Overall length	477mm	523mm
Skin weight	3.5kg	5.8kg
Weight (with battery)	4.1kg	6.4kg
Voltage	18V	18V
Housing material	Aluminium	Aluminium
Blade tracking adjustment	Yes	No

Accessories

Standard Accessories

	B-40559	Band Saw Blade (1 Piece)
	783202-0	Hex wrench

Optional Accessories

	B-40543 B-40559 B-40565	<u>Band Saw Blades</u> 3-6mm thickness of work piece 2-3mm thickness of work piece Less then 2mm thickness of work piece
	197975-3	<u>Blade Cover</u>
	191897-7	<u>Paraffin Cutting Wax</u>
