- **Two tools in one** – universal design for grass shear and hedge trimmer use. Interchangeable blade system allows for easy conversion between the two blade sets
- **Chip receiver** – with one touch installation can be installed on the hedge trimmer blade to catch offcuts during use
- **Easy blade change system** – grass shear can easily be removed and replaced with the hedge trimmer blade by removing 2 screws
- **Battery capacity warning** – lamp blinking red indicates battery capacity is low and when the lamp lights up the tool has stopped due to battery capacity being empty
- **Cutting depth adjustment** – grass receiver can be adjusted to depths of 15, 20 and 25mm and 10mm by removing the receiver
- **Stain free shear blade** – glittering silver surface features a high anti abrasion coating for longer lasting blades
