

Makita

12V Max (1/4") Hex Chuck Driver Drill

DF031D

CXT

Product Objectives

- Designed to suit the needs of kitchen fitters, second fix carpenters, electricians, plumbers and mechanics
- Develop a product that is lightweight, compact and comfortable in overhead and single handed applications.

Product Overview

Product Specification Sheet

- **1/4" Hex Chuck** – allows user to quickly snap in hex shank bits and reduces the overall length of the tool to 153mm.
- **LED Job Light** – with pre-glow and after glow function, lights up the work piece making it easier to view the work area.
- **Variable Speed Trigger** – trigger has been designed so that the drill speed can be easily controlled by the trigger
- **CXT Compact eXtreme Technology** – ultra compact and lightweight design allows user to comfortably handle the tools for extended periods of time.
- **Mechanical 2 Speed Gearing** – provides the user with more control of the tool, allowing selection between 2 speeds.
- **Ergonomic Design** – In order to provide maximum thrust to the bit, the top back of the handle is ergonomically contoured and widened to perfectly fit the U-shape between thumb and index.

No Load Speed	High: 0-1,700rpm Low: 0-450rpm
Drill Chuck	6.35mm (1/4") Hex Chuck
Max. Capacity	Wood: 21mm Steel: 10mm
Max. Torque	28Nm
Weight (with battery)	1.2kg
Voltage	12V Max

Advantages

Performance

High performance 1,700rpm no load speed motor

Control

Mechanical 2 speed gearing

Compact

Compact eXtreme Technology
Compact & lightweight range of tools

Convenience

Belt clip allows tool to hang on tool belt whilst continuing work

Our Range

		HP332	DF332	DF032	HP331	DF331	DF031
